

Replacement PVC Curtain Strips Quote Request

For a no obligation quote request for the supply of PVC Curtain strips for self-installation, email the completed form to: generaltrading@unionindustries.co.uk or fax to 0113 242 1307

Name: _____ Email: _____

Curtain Purchased / Location	Quantity Required	Length Required	Width 200 / 300 / 400	Thickness 2mm / 3mm / 4mm	Ribbed	Chilled / Freezer applications	Bolt On	Hook On

Cut Strips are manufactured with either pre-punched holes (bolt on) or Stainless Steel Head Plates fitted (Hook on) and a small amount of PVC to be trimmed when fitted.

Extra wear protection against pallets can be provided by Ribs on PVC Strips

For chilled and freezer applications, 'Polar' PVC strips are recommended. These strips are less brittle than standard strips in these areas.

Bolt-On

Hook-On

Should you require a complete PVC Strip Curtain with associated track, please contact our general trading department by telephoning 0113 244 8393.
